

News

Dear (Faculty member/ MASES Past Attendee/ MASES Industry partner),

As the COVID pandemic continues to effect many of our states throughout the United States we have made the right but reluctant decision to cancel this years MASES meeting. We are disappointed that the 10th anniversary meeting will have to wait till 2021 but we hope we can return stronger and better after everything that has happened this past year. We plan to re invite this years faculty for next year and likely keep the program very similar. The meeting is set for Washington, DC next year on Friday September 10th, 2021 at the Ritz Carlton again. We hope to see you there. In the meantime we wish you health and happiness.

Sincerely,

Program Chairs

Joe Abboud
Jack Kazanjian
Anand Murthi
Brent Wiesel
